

Program

Live Demonstration

Date : February 15(Fri) 9:15-10:45

Hall 1 (10F 1001-1003)

Live Demonstration 1 (Lower limbs, Renal etc.)

Operators

【Transmitting from: Kokura Memorial Hospital】

Hiroyoshi Yokoi, Yoshimitsu Soga

【Transmitting from: Kansai Rosai Hospital】

Osamu Iida, Kazushi Urasawa

Chairs : Shinsuke Nanto, Yoshiaki Yokoi

Discussants : Takao Okamura, Daizo Kawasaki, Yoshiaki Shintani, Kenji Suzuki, Yasutaka Yamauchi

Mini Lecture

Debate : Debulking device is necessary tool for peripheral artery intervention?

Pro : Atherectomy is the necessary even in Stent Era

Lawrence A. Garcia

Con : Debulking device is not needed for peripheral artery intervention

Daizo Kawasaki

Date : February 15(Fri) 10:45-12:15

Hall 1 (10F 1001-1003)

Live Demonstration 2 (CAS, etc.)

Operators

【Transmitting from: Kokura Memorial Hospital】

Hiroyoshi Yokoi, Yoshimitsu Soga

【Transmitting from: Kansai Rosai Hospital】

Osamu Iida, Kazushi Urasawa

Chairs : Yuji Ikari, Nobuyuki Sakai

Discussants : William A. Gray, Yasushi Okada, Nobuhiko Ogata, Katsutoshi Takayama, Yusuke Miyashita

Mini Lecture

Debate : How do we intervene to Asymptomatic carotid artery stenosis ?

Pro : There are indications for CAS

William A. Gray

Con : Perfect medical therapy is good enough

Yasushi Okada

Date : February 15(Fri) 13:45-15:15

Hall 1 (10F 1001-1003)

Live Demonstration 3 (BK, SFA, etc.)

Operators

【Transmitting from: Kokura Memorial Hospital】

Hiroyoshi Yokoi, Yoshimitsu Soga

【Transmitting from: Kansai Rosai Hospital】

Osamu Iida, Kazushi Urasawa

Chairs : Hiroto Terashi, Akira Miyamoto

Discussants : George L. Adams, Jackie P. Ho, Ikurou Kitano, Shigeru Nakamura, Michiaki Higashitani, Keisuke Hirano

Mini Lecture : Wound healing following successful BK intervention (From OLIVE study)

Norihiko Ohura

Anti-restenosis (From STOP-IC study)

Hiroyoshi Yokoi

Date : February 15(Fri) 15:15-16:45

Hall 1 (10F 1001-1003)

Live Demonstration 4 [Asian PAD Symposium]

< English Session >

Operators

【Transmitting from: Kokura Memorial Hospital】

Hiroyoshi Yokoi, Yoshimitsu Soga

【Transmitting from: Kansai Rosai Hospital】

Osamu Iida, Kazushi Urasawa

Chairs : Donghoon Choi, Naoto Inoue

Discussants : Jackie P. Ho, Chung-Ho Hsu, Bryan Yan, Osami Kawarada, Junichi Tazaki, Yoichi Nozaki

Shinsuke Mii

Mini Lecture : CLI, subintimal approach or intraluminal approach?

Donghoon Choi

CLI Intervention : Hong Kong Style

Bryan Yan

【Co-Sponsor : Cook Medical Inc.】

Date : February 15(Fri) 17:00-18:30

Hall 1 (10F 1001-1003)

LINC@JET2013 – Live from Leipzig –

[Drug Eluting Technology]

< English Session >

Operators : Dierk Scheinert, Andrej Schmidt

Chairs : Takao Ohki, Yoshiaki Yokoi

Discussants : Donghoon Choi, William A. Gray, Andrew Holden, Bryan Yan, Kenji Suzuki, Akihiro Higashimori

【Co-Sponsor : Cook Medical Inc.】

Date : February 16(Sat) 9:00-10:30

Hall 1 (10F 1001-1003)

Live Demonstration 5 (Lower limbs, Renal etc.)

Operators

[Transmitting from: Kishiwada Tokushukai Hospital]

Yoshiaki Yokoi, Akihiro Higashimori, Masahiko Fujihara

[Transmitting from: Morinomiya Hospital]

Daizo Kawasaki, Masato Nakamura

Chairs : Takashi Uzu, Osami Kawarada

Discussants : Takashi Harada, Hiroshi Fujita, Ichiro Michishita, Takehiro Yamashita, Keizo Yamamoto

Mini Lecture

Debate : How do we intervene atherosclerotic renal artery stenosis ?

Pro : Renal Artery Stenting is still the important revascularization technique for renal salvage
Osami Kawarada

Con : Medical therapy is good enough for ARAS
Takashi Uzu

Date : February 16(Sat) 10:30-12:00

Hall 1 (10F 1001-1003)

Live Demonstration 6 (Lower limbs, Renal etc.)

Operators

[Transmitting from: Kishiwada Tokushukai Hospital]

Yoshiaki Yokoi, Akihiro Higashimori, Masahiko Fujihara

[Transmitting from: Morinomiya Hospital]

Daizo Kawasaki, Masato Nakamura

Chairs : Norihiko Shinozaki, Hiroyoshi Yokoi

Discussants : Karl-Ludwig Schulte, Keita Odashiro, Tsuyoshi Goto, Kan Zen, Yoichi Nozaki

Mini Lecture : Tips and Tricks of SCA stenting

Akihiro Higashimori

New SFA stent from Japan

Karl-Ludwig Schulte

Date : February 16(Sat) 13:30-15:00

Hall 1 (10F 1001-1003)

Live Demonstration 7 (Lower limbs)

Operators

[Transmitting from: Kishiwada Tokushukai Hospital]

Yoshiaki Yokoi, Akihiro Higashimori, Masahiko Fujihara

[Transmitting from: Morinomiya Hospital]

Daizo Kawasaki, Masato Nakamura

Chairs : Kazushi Urasawa, Keisuke Hirano

Discussants : Tomoyasu Sato, Nobuhiro Suematsu, Koji Hozawa, Yasutaka Yamauchi

Mini Lecture

Debate : Interventional Approach for CLI

Pro : Old fashioned EVT is good enough for BK disease
Keisuke Hirano

Con : New technique is a must for BK disease
Kazushi Urasawa

Live Demonstration 8 (CTO)

Operators

【Transmitting from: Kishiwada Tokushukai Hospital】

Yoshiaki Yokoi, Akihiro Higashimori, Masahiko Fujihara

【Transmitting from: Morinomiya Hospital】

Daizo Kawasaki, Masato Nakamura

Chairs : Osamu Iida, Tetsuo Matsubara

Discussants : Carlos I. Mena, Hiroshi Ando, Taketsugu Tsuchiya, Terutoshi Yamaoka, Yoshito Yamamoto

Mini Lecture

Debate : Which wire is for SFA CTO : 0.035-inch vs 0.014-inch?

Pro : 0.035 inch wire is good enough for SFA CTO

Osamu Iida

Con : 0.014 inch wire should be used for SFA CTO

Hiroshi Ando

A case of Livedo reticularis and rhabdomyolysis after carbon dioxide arteriography

Taku Iwaki
