There are only a limited number of lunches available for each venue.

6. Safety measures to prevent the spread of COVID-19

We make the safety of all participants and staff a top priority for holding JET2022 at the venue.

We will implement measures to prevent the spread of infection in accordance with guidelines provided by the Japanese government, local governments, and related organizations.

We ask that all participants take appropriate measures to prevent the spread of infection, such as taking temperature, disinfecting hands, and wearing masks.

Live Streaming

Some programs of JET2022 will be live streaming.
Please login to Eventhub with your email address and password.
