

A young man with short brown hair and glasses, wearing a grey t-shirt and a black backpack, is seen from behind, looking at a large, vibrant digital display. The display shows a grid of colorful, abstract patterns in shades of blue, green, and yellow. The setting appears to be a modern, brightly lit interior space, possibly a conference or exhibition hall. In the background, there are blue banners with white text and icons, including one that says "Information".
