

■Hall A Layout

The layout is shown in the figure on the right.
The presentation podium will be located in the center of the stage and will be transparent, as shown in the figure below.

(Reference image)
Microphone and microphone stand are located next to the podium.

■Attention

- ※The stage layout is fixed and cannot be changed.
- ※You cannot place a PC on the podium. This is because the podium is transparent and can be seen through it.
- ※If you wish to present on your own PC, please bring it to the operation booth.
- ※Please use the clicker on the podium for page feed during your presentation.
- ※The presenter tool is not available. Both Macintosh and Windows users must submit PowerPoint data in advance at the PC Center.
